

10th WHITH Virtual Conference - Sep 30 - Oct 2, 2022

SCIENTIFIC PROGRAM

*All sessions are listed in Central European Time

Friday, September 30

14:00	Opening Remarks - Symposium Chairmen <i>Ian A. Greer, UK; Benjamin Brenner, Israel; Manuel Monreal, Spain</i>
14:10-15:20	Session 1: <u>Cancer and Thrombosis in Women</u>
Chairs:	Andres Muñoz; Lucy Norris
14:10	Thrombo-inflammation in cancer <i>Joseph S. Palumbo, USA</i>
14:25	Outcome of CAT: solid tumors versus hematological malignancies <i>Jean M. Connors, USA</i>
14:40	Update of guidelines for CAT management <i>Corinne Frere, France</i>
14:55	Selected Oral Communications
	"Myeloid-derived suppressor cells potentially contribute to progression of pregnancy-associated non-Hodgkin lymphoma" <i>Netanel A. Horowitz, et al.; Israel</i>
15:00	Q&A and Panel Discussion
15:20-16:00	POSTER SESSION
Chair:	Dorit Blickstein
P-01	"Pharmacokinetics of curative tranexamic acid in parturient women undergoing cesarean delivery" <i>Anne-Sophie Ducloy-Bouthors, et al.; France</i>
P-02	"Vital netosis vs. suicidal netosis during normal pregnancy and preeclampsia" <i>Florence Guillotin, et al.; France, Russia</i>
P-03	"Thrombophilia testing in women with thrombosis during and post Covid-19 infection" <i>Evgenia Moustafieri, et al.; Greece</i>
P-04	"Risk factors for venous thromboembolism in pregnant women with COVID-19" <i>Monica Gonzalez Alcantara, et al.; Argentina</i>
P-05	"Determination of anti-Xa levels in pregnancy: Experience of our center" <i>María B Moreno Risco, et al.; Badajoz</i>
P-06	"Management of severe factor VII deficiency in the reproductive age" <i>Ron Hoffman, et al.; Israel</i>
16:00-16:20	Break
16:20-17:35	Session 2: <u>Pregnancy Complications</u>
Chairs:	Jean-Christophe Gris; Benjamin Brenner
16:20	Fetal hemostasis <i>Marilyn J. Manco-Johnson, USA</i>
16:35	Risk-assessment models for pregnancy complications <i>Céline Chauleur, France</i>
16:50	The impact of advanced maternal age on pregnancy outcome <i>Amy Wooldridge, Canada</i>
17:05	Selected Oral Communications
	"Association between non-O blood type and early unexplained recurrent spontaneous abortion in women with and without thrombophilia" <i>Luca Spiezia, et al.; Italy</i>
	"Association between ABO blood group and recurrent spontaneous abortion in the Middle East countries: A systematic review and meta-analysis" <i>Luca Spiezia, et al.; Italy</i>
17:15	Q&A and Panel Discussion

Saturday, October 1

14:00-15:15	Session 3: <u>Challenging Clotting Issues in COVID-19</u>
Chairs:	Emmanuel Papadakis; Ismail Elalamy
14:00	Complement-mediated coagulopathy <i>Barry Jacobson, South Africa</i>
14:15	Lab testing for vaccine-induced thrombotic thrombocytopenia <i>Emmanuel J. Favaloro, Australia</i>
14:30	Anti-coagulation strategies in COVID-19 management <i>Alex C. Spyropoulos, USA</i>
14:45	Selected Oral Communications
	"Venous thromboembolism (VTE) in hospitalized pregnant patients with COVID-19: Results from a prophylactic anticoagulation protocol" <i>Venina V Barros, et al.; Brazil</i>
	"Monitoring the spread and evolution of SARs-CoV2 infection at a Greek General Hospital from April 2021 to June 2022, focusing on the results on the female population" <i>Sofia Likousi, et al; Greece</i>
14:55	Q&A and Panel Discussion
15:15-15:35	Break
15:35-17:00	Sanofi Educational Webinar VTE & Women: From risk reduction to an optimized patient management
Chairs:	Prof. A.J. Kakkar & Prof. C. Nelson-Piercy
→	VTE management in obstetrics: optimal dose and duration <i>Saskia Middeldorp, The Netherlands</i>
→	Deaths from VTE in pregnancy in the UK: is prevention worth it? <i>Catherine Nelson-Piercy, UK</i>
→	COVID-19 and pregnancy <i>Stephen Lapinsky, Canada</i>
17:00-17:10	Break
17:10-18:30	Session 4: <u>Bleeding Disorders</u>
Chairs:	Rezan Abdul Kadir; Maha Othman
17:10	An update on the pathophysiology of immune thrombocytopenia <i>John W. Semple, Sweden</i>
17:25	Uncommon hereditary bleeding disorders in women <i>Ophira Salomon, Israel</i>
17:40	Challenges in the management of women with type 2B VWD during pregnancy and postpartum <i>Predrag Miljic, Serbia</i>
17:55	Selected Oral Communications
	"The antifibrinolytic dose-response relationship for tranexamic acid in postpartum haemorrhage during caesarean delivery: the TRACES double-blind, placebo-controlled, multicentre, dose-ranging, biomarkers study. Multicenter double-blind placebo-controlled dose-ranging (TRACES) ancillary study" <i>Anne-Sophie Ducloy-Bouthors, et al.; France</i>
	"Saved by the blood bank: Massive feto-maternal hemorrhage detected during maternal blood typing" <i>Lilach Bonstein, et al.; Israel</i>
	"The role of TEG6S in managing major obstetric haemorrhage" <i>Mia Ballantyne, et al: UK</i>
18:10	Q&A and Panel Discussion

Sunday, October 2

14:00-15:25	Session 5: <u>Venous Thromboembolism in Women</u>
Chairs:	<i>Cecilia Becattini; Menno V. Huisman</i>
14:00	Hormonal therapy and thrombosis <i>Saskia Middeldorp, the Netherlands</i>
14:15	Risk stratification of pulmonary embolism <i>David Jimenez, Spain</i>
14:30	Post-thrombotic syndrome in women <i>Susan R. Kahn, Canada</i>
14:45	Abnormal uterine bleeding in women receiving anticoagulation for VTE <i>Gabrielle Sarlon-Bartoli, France</i>
15:00	Selected Oral Communications "Combined oral contraceptive-associated venous thromboembolism revealing an antiphospholipid syndrome: International retrospective study of outcomes" <i>Jean-Christophe Gris, et al.; France, Russia</i>
15:05	Q&A and Panel Discussion
15:25-15:40	Break
15:40-16:55	Session 6: <u>Systemic Syndromes</u>
Chairs:	<i>Roopen Arya; Zoubida Tazi Mezalek</i>
15:40	Hemostasis in extremes of body weight <i>Beverley Hunt, UK</i>
15:55	Obstetric APS <i>Jean-Christophe Gris, France</i>
16:10	COVID-19 and coagulopathies in pregnancy <i>Maha Othman, Canada</i>
16:25	Selected Oral Communications "Antiphospholipid syndrome (APS) in pregnancy: Maternal and perinatal outcome after first line treatment with enoxaparin and low dose aspirin (LDA)" <i>Beatriz Eugenia Grand, et al.; Argentina</i> "Hereditary spherocytosis in pregnancy; a systematic review of prognostic factors, maternal and fetal outcomes" <i>Zara Arain, Rezan Abdul Kadir; UK</i>
16:30	Q&A and Panel Discussion
16:55-17:15	Break
17:15-18:20	Session 7: <u>Genomics and Data Integration: Implications for Women's Health</u>
Chairs:	<i>Ian A. Greer; Manuel Monreal</i>
17:15	International Network of Venous Thromboembolism (INVENT) <i>Marc Rodger, Canada</i>
17:30	Sex differences in elderly patients with acute pulmonary embolism <i>Behnood Bikdeli, USA</i>
17:45	Thromboembolic risk in women with atrial fibrillation <i>Antonella Tufano, Italy</i>
18:00	Q&A and Panel Discussion
18:20	Concluding Remarks <i>Symposium Chairmen</i>
